Risk Warning - Past performance is not a guide to the future performance. Investments can go down as well as up and investors may not get back the amount originally invested. This can be as a result of market movements and exchange rates between currencies. The Fund may invest in fixed interest funds, which are subject to market and credit risk and will be impacted by interest rates. The Fund's underlying investments may include emerging markets which may be less liquid and more volatile than more developed markets.
